Greetings from the Hollywood BID,

As some of you are already aware, the [Only In Hollywood Music + Arts Festival](#) launched last year as a homegrown event to celebrate the local arts community in Hollywood.

Please join us for a Happy Hour mixer on Tuesday July 26, at the [Record Parlour](#) on Selma Avenue, from 5pm-7pm. We are in full swing planning for the second ever festival, and we hope you will join us as we work to build on the incredible synergy that we have found with the festival community.

Beer and wine will be provided, while the DJ's at the Record Parlour will be spinning vinyl. This will be an opportunity to learn about the Only In Hollywood Music + Arts festival, meet and mingle with fellow community members who share an interest in supporting the arts, and find out about sponsorship opportunities for this year's event.

The Record Parlour is one of the key locations being activated with arts and music in October, and we are excited for you to experience this unique space during their monthly vinyl happy hour.

Please RSVP if you are able to attend.

Thank you for your support!
